

Grown So Ugly

The Black Keys

I got up this morning
Put on my shoes
Tied my shoes
Went to the mirrorBut I combed my hair
I made a move
Know what to do
Tried to break and runBaby, this ain't me, baby, this ain't me
Grown so ugly, grown so ugly
Don't even know myself
Don't even know myselfLeft Angola, 1964
Walking down the street
Knock upon my baby's door, now
My baby come out and ask me who I am
