

I Always Get What I Want

Avril Lavigne

Every now and then we all want somethin'
Even if there's no way of gettin' it
If I stomp my feet quick that maybe be the way around it
 Could I get myself around it
 Get me what I want
 Everything I don't got
 So give me what I want
 'Cause I'm a big shot
 Don't wanna always have to be so nice
 Don't wanna hear you say, "Well that's just life"
 I'll drown you out when I open my mouth
And make my way around it, I always make my way around it
 Get me what I want
 Everything I don't got
 Give me what I want
 'Cause I'm a big shot
 So give me what I want
 I always get what I want
You don't want to see me when
 I don't get what I want
 It's not what you want
I'm not about to take no for an answer; no
 If I tell, you I can't I'm still gonna go
 I did it all by myself and I found
 I found my way around it
 Get me what I want
 Everything I don't got
 Give me what I want
 'Cause I'm a big shot
 So give me what I want
 I always get what I want
You don't want to see me when
 I don't get what I want
 It's not what you want
 It's not too lovely
It could start to get ugly
 It really bugs me, if
 I don't get my way
 Get me what I want

Everything I don't got
So give me what I want
'Cause I'm a big shot
So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
It's not what you want
If I don't get what I want
It's not what you want
