

Hallelujah

Carey Sayles

No one is greater than you,
No one is mightier than you!
No one can love me like you do,
To you hallelujah, hallelujah.

You made the son, moon and stars,
Sovereign god is who you are.
Mightier conquer in this war,
To you hallelujah, hallelujah.

Hallelujah, My God.
Hallelujah, My King.
Hallelujah, My Lord.
Hallelu, Hallelu.

You are the great high priest,
Mercy and grace you release.
You give me perfect peace.
To you hallelujah, hallelujah.
Your presence is always around,
Fills me with beautiful sound.
Now I am heavenly bound.
To you hallelujah, hallelujah.

Hallelujah, My god.
Hallelujah, My king.
Hallelujah, My lord.
Hallelu, hallelu.

Hallelujah, Hallelujah
Hallelu, hallelu
