# I Know You Won't

## K. Michelle

Verse:
I know you don't mean to be mean to me
'Cuz when you want to you can make me feel like we be-long (Oh we belong)
Lately I feel like all I am is a back up plan
I say I'm leaving and you smile at me and I forget every word I said.
I buy into those eyes, and into those lies
Chorus:
You say you'll call, but I know you
You say your coming home, but I know you
You said you'll leave her alone, but I know you
You say you'll change, but I know you won't
Verse:
I wish you were here with me like you 'spose to be

But here I am just starring at this candle burning bright
And still no sound, footsteps on my stairs, your voice anyways.
Chorus:
You say you'll call, but I know you
You say your coming home, but I know you
You said you'll leave her alone, but I know you
You say you'll change, but I know you won't
Ad-Lib:
You say you'll change, but I know you
You say your coming home, but I know you
Just leave her alone, but I know you
You say you'll change, but I know you won't (you won't, you won't.)
Outro:
ZERO FUCKS GIVEN BITCHES
