Damned

Eva Avila

I saw the shadows fall
I know just what I saw
Did I see anything at all
Will it ever be the same?Some days you can just look past
I'm standing on broken glass
I know but I had to ask..
This is how we play the gamedamned if I do, damned if I don?t,
Honesty, is the hardest thing,
Damned if I will, damned if I won't,
Honesty, is the hardest thing
I know I know
MmmmmmJust thinking bout it I
Get chills up and down my spine
You went too far this time'cause I'm ready for the sun to rise
I'm starin at a blood red sky
All the things that I had insideDamned if I do, damned if I don?t
Honesty, is the hardest thing,
Damned If I will, damned if I won't
Honesty, is the hardest think,I take a look at my life and I look how far I've come sane
But if it doesn?t feel right
Imma start to walk the other way
Like my mama told me, what doesn?t kill you will make you stronger
Will it ever be the same, this is how I play the gameI know just what I saw
I saw the shadow fall
Did I see anything at all
It will never be the sameDamned if I do , damned if I don?t
Honesty, is the hardest thing,
Damned if I will, damned if I won't,
Honesty, is the hardest thingI saw the shadows fall
I know just what I saw
Will it ever be the same
This is how we play the gameohh damned. Ohh
I know yea ooo yeea.
Damned if I do.
Damned if I do. Ooo damned if I wont.
