Seaside

Szely

Do you want to go to the seaside?
I'm not trying to say that everybody wants to go
I fell in love at the seaside
I handled my charm with time and slight of hand

Do you want to go to the seaside?
I'm not trying to say that everybody wants to go
I fell in love at the seaside
She handled her charm with time and slight of hand, and oh

But I'm just trying to love you
In any kind of way
But I find it hard to love you girl
When you're far away
Away

Do you want to go to the seaside?
I'm not trying to say that everybody wants to go
But I fell in love on the seaside
On the seaside
In the seaside
