

Paradise (B-Side)

All About Eve

Like a bird I'm living on the wing and on the run
I'm wondering if paradise was won by the gun
 You gather fruit from danger trees
 See more than you want to see
Too late, too late...We didn't know what it was
 And all we know is we've lost it
 We threw away paradise
And all we know is we've dreamt itWill it ever come again
 When you call ?
 So catch if angels should
 Fall in your arms
 For every night a reaching hand
 A thousand snake mouths open wide
Too late, too late...We didn't know what it was
 And all we know is we've lost it
 We threw away paradise
And all we know is we've dreamt itDon't know where to go
 Don't think you'll find it
 I kneel down somewhere
 So maybe they'll find me
 You may have your dreams
 But heaven you steal
 Live by the sword
 Live by the gun
 Never to rest
'til your heaven is wonWe didn't know what it was
 And all we know is we've lost it
 We threw away paradise
And all we know is we've dreamt itGonna get it back
 Gonna get it backWill it ever come again...?
