

White Birds

[Sarah Fimm](#)

Make your garden grow
White bird
Dream out loud doe
While we send her out to you Cold is the wind on
Your blue wing We don't stand a chance
We're white birds When you come
I'll crawl to your perch
When you come
I'll crawl to your perch Sending love to you It's a lovely thing
How we found a pearl
Through wind worn hell swells cracked
Shells melt
As we find our world When you come I'll crawl
To your perch
When you come I'll crawl
To your perch Sending love to you
