Baby Wont Ya

MC5

Oh come on, it's all over, over hereI sat up here in my window lookin' down on the street
A strychnine poison woman, man don't you look so sweet
Well I said come on up and see me sometime
I'm just a drunken sailor but I'm feelin' so fine
I've been out sailin' on the seven seas, baby won't you give it to me? OhBaby won't ya drive me mad? Baby don't ya let me feel bad
Baby don't ya leave me alone, baby won't ya carry me home?
Baby won't ya jump and shout? You know what I'm talkin' about
Baby won't ya drive me wild? Baby let me see you smile
Watching you, it's alright nowFor now I see all the sickly, salty swingers standin' on a bathroom floor
Slidin' and glidin' as she passed by my window
She was a female mercenary comin' home from war
The ultimate inflection of the word perfection
I thought I'd drop by to say, "Hi"
Sweetly, serenely, she showed me her gun, baby let's go get high, ohBaby won't ya drive me wild? Baby let me see you smile
Baby won't ya please come here? Baby don't ya have no fear
Baby won't ya scratch my back? Baby don't ya leave me mad
Baby won't ya drive me mad? Baby don't ya let me be mad
Come on, get downOh yeah yeah yeah yeah, well, come on now
I sat down to the matters at hand, tryin' to find a way to beat the heat
Outside my window was a bunch of tipsy gypsys
Dancin' up and down the street
The lovely senorita took me by my hand
She said, "Oh, baby won't you be my man?"
I'll get yours and you'll get mine, baby let's have a good timeBaby won't ya drive me mad? Baby don't ya let me feel bad
Baby don't ya leave me alone, baby won't ya carry me home?
Baby won't ya jump and shout? You know what I'm talking about
Baby won't ya drive me wild? Baby let me see you smileBaby won't ya please come here? Baby don't ya have no fear
Baby let me hold your hand, baby let me be your man
Baby won't ya scratch my back? Baby don't ya leave me madBaby won't you [Incomprehensible], baby won't you [Incomprehensible]
Baby won't ya drive me mad? Baby don't ya let me feel bad
Baby don't ya leave me alone, baby won't ya carry me home?
Baby won't ya jump and shout? You know what I'm talkin' about
Baby won't ya drive me wild? Baby let me see you smile
