Wondering

Aaron Edson

Sometimes I think about
The way things used to be
Had it all figured out
When I was two or three

But then I made some mistakes that I'd regret
Let some things in my mind I wish I could forget
but I don't think I can erase these memories
that's why I'm down here on my knees

I'm wondering...
If you're listening to me, just wondering...
Who I'm supposed to be,
I'm just wondering
If there's more to life than what I see
I'm wondering... Just wondering...(wondering)

Oh lord my God when I in awesome
wonder about the man on that cross and
all the pain I put him through and
everything that I still do
which drop of blood do I make him shed?
did I put the thorns onto his head?
I try to do what the Savior said,
but I slip all the time on the path he led.

Just when I think these prayers are in vain
I feel a power in my heart that relieves my pain
so please let these words get past your brain
stop wondering, stop wondering
'cause I know that our Father's love is real
open your heart and let it feel
'cause I've never felt this love before
and I'm not wondering any more.

Oh...
I'm not wondering...(oh...) I'm not wondering, wondering, anymore. (3 times)
