

Don't Want to Wait Anymore

The Tubes

We, could be
The last two on earth
To start a new world Just you and me, girl
Try, and you can almost see
How it could be, just you and me Lost, trapped in the freezing cold
Barely alive
Have to make love to survive I'll show you how it's done
We'll take it as it comes
A rocket to the sun I don't want to wait anymore
I just don't think I have the strength
The strength to carry on Oh, I don't want to wait anymore
I've waited so long
I forgot what I'm waiting for Stranded on a desert isle
With no one around
For thousands of miles Imagine any place
This is what it takes
But don't tell me to wait I don't want to wait anymore
I just don't think I have the strength
The strength to carry on Oh, I don't want to wait anymore
I've waited so long
I forgot what I'm waiting for I don't want to wait anymore
I just don't think I have the strength
The strength to carry on Oh, I don't want to wait anymore
I've waited so long
I forgot what I'm waiting for And I don't want to wait anymore
I just don't think I have the strength
I just don't think I have the strength to carry on Oh, I don't want to wait anymore
I just don't think I have the strength
I don't want to wait anymore
I just don't think I have the strength
