

# Something Goin' On

## Heavy D & The Boyz

I got a funny feelin' somethin's goin' on,  
had a good girl, treated her wrong  
I got a funny feelin' somethin's goin' on,  
treated her wrong, now my good girl's gone  
I got a funny feelin' somethin's goin' on,  
woke up one mornin' an' my girl was gone, couldn't figure out what the hell went wrong,  
didn't think she'd leave 'cuz she wasn't that strong, but I was wrong  
Now I'm the one that's hurt, quiet as kept,  
readin' quotes from her note that read a skep 'cuz I slept  
Now what was I supposed to do? How's it supposed to be?  
How could you leave me? I mean, damn, I'm Heavy D!  
Boy was I dumb, thought I was the one  
baggin' on her for her friends jus' for the fun  
I wish I woulda known, I woulda begged her to stay  
Now, Heavy D's Heavy Dumb 'cuz his girl ran away  
Now as the days go by, I'm steady tryna handle it,  
the more I think about it, the more I untangle it  
Boy was I a fool, treated her cruel  
Stratght-up disrespect for the sake of bein' cool  
Sittin' all day an' I ask myself "Why?"  
I guess you never miss your water 'til your well runs dry  
I figured I was bigger by callin the shots, plannin' the plots,  
takin' advantage of what I got, I shoulda stopped  
An' now I'm lonely from actin' like a phony,  
buggin' somethin' over, even mama didn't know me  
I tried to call her, but she won't call back,  
she won't call back, she won't call back  
Now everyday is jus' another day almost where I stay,  
not in the mood to play b'cuz my girlie ran away  
I guess I really learned my lesson, dig it, I'm through  
Nex' time I get a good girl, I'll know what to do  
No more Mr. Rough or Tough-neck,  
actin like a drug-incest
