How to Love

Sister Sledge

I know how to sing a pretty song.
I can carry on talking all night long.
But, when it comes to you,
I don't know what to do.I guess I never knew how to love.
I have to put (you in?) all of my dreams
My frustrations are bursting at the seamsSometimes I don't have time
when you want to wine and dine.
But, you are still the one I'm thinking of.
I guess I never knew how to love.I never knew just how to love.
I guess I never knew how to love.
I never knew just how to love.I didn't plan to be a star.
Didn't you tell me
to be just what you are?You're so important to be.
These things I have to be.
I guess I never knew how to love.I see you (but?),
You want to go.
I love,
but it doesn't show.I am just being myself.
Can't be anybody else.But, you are still the one I'm thinking of.
I just don't know how to love.
I just don't know how, how to love
When it comes you,
I just don't know what to do.No, no, I don't know how to love, love baby.
I just don't know what to do.I guess I never knew just how to love
I guess I never knew just how to love
I guess I never knew how to loveWithout you,
I just don't know what to do.
Without you,
I just don't know what to do.
Without you,
I just don't know what to do.
Without you.
