Save What's Mine for Me

Bootsy Collins

Hey, here we go here
And i'm Mr.
Macho Man too
You know i don't know how to say this to this girl I ain't suppose to show no weakness
I'm the man around here, that's what they tell me
She better not givin' away
You got to save what's mine for me. Cos' you know how sensitive i can be.
You got to save what's mine for me.
Cos' you know how selfish i can be, girl.
I'm livin' in this land. Where they call us man.
And i'm not suppose to bleed
They say stand up and be strong. Nothing can go wrong. Only women bleed. But i'm cryin'. And i'm dyin'.
And i'm tryin' not to feel the pain.
Livin' in a land
Where they call us man
And i'm too cool to blow. You got to save what's mine for me. Cos' you know how sensitive i can be. You got to save what's mine for me. Cos' you know how selfish i can be, girl.
Save your mine.
All the time. Dig it baby. I'm livin' in this day
And you know it ain't safe
And men are too cool to blow
While livin' under that gun
Never seein' my son
I see some yellow in the snow. I'm cryin'.
And i'm dyin'.
And i'm tryin' not to feel the pain.
Livin' in this land.
Where they call us man.
And i'm too cool to blow
Save your love, save your love. Save your love for me.
They say this is a man's world
But it wouldn't be nothing without a woman.
You got to save what's mine for me
Cos' you know how sensitive i can be. You got to save what's mine for me. Cos' you know how selfish i can be, girl.
Save your love, save your love...
