

# Your Song

## Kate Walsh

Haven't you heard.  
I'm stuck on a verse.  
I'm stuck on a boy who fills me with joy.  
I knew I was wrong to  
Jump straight on into this picture so pretty,  
But he is so pretty to me.

And he doesn't know just how far I would go,  
Just to kiss him,  
He doesn't know how i Pinde.

So I'm like a whirlpool.  
and I watch him sparkle.  
And we'll make, love make magic.

Haven't you heard before i had first.  
and he loves me so, we're two in a row.  
Just look at his eyes, there as blue as the skys,  
a picture so pretty,  
but he is so pretty to me.

So i'm like a whirlpool.  
and I watch him sparkle,  
And we'll make, love make magic.

And i couldn't tell you.  
Just tell love it takes you.  
Because word dont make, what i make,  
with him.

Haven't you heard,  
i'm stuck on a verse.  
I'm stuck on a boy, who fills me with joy.  
I knew i was wrong, to jump staight on into,  
this picture so pretty,  
but he is so pretty to me.
