The Answer

Raised Fist

Can we help to comprehend the limits of the human mind
Can someone influence the media so it can control us?The Question is that can you -- Walk away
Without finding the answer to that?
Can you -- Walk away
Without fighting against that?In my attempt, I will need all the luck that you send
And my burning desire is to put out the burning fireWhich human being is better than the other
And why are we bunded by the vision of money
And how much is enough
When will we crawl out of our hidding place
And start fighting for our right?
When will our egoistic way
Turn into a positive helping wayThe Question is that can you -- Walk away
Without finding the answer to that?
Can you -- Walk away
Without fighting against that?Another day broken by the way
It takes a lot more to make me stay
It seems like we haven't learn
It's the right time for us to make it turnCan we help to comprehend the limits of the human mind
Can someone influence the media so it can control us?The Question is that can you -- Walk away
Without finding the answer to that?
Can you -- Walk away
Without fighting against that?In my attempt, I will need all the luck that you send
And my burning desire is to put out the burning fire
