

Steeler (Live at the Seminole Hard Rock Arena)

Judas Priest

Catch the play now, eye to eye
Don't let chances pass you by
Always someone at your back
Biding their time for attack Check for decoys, stay sharp edged
Double-crossers get your head
Carpet-baggers bluff and strike
Kiss of Judas, spider like Waiting like jackals to sneak up and trick you
Wolves in sheeps clothing, slow death in consoling
Lurking in shadows, they pounce least expected
When you come to, they'll have gone right through you Tricksters, jilters play their game
Sleight-of-handers, all the same
Masquerader in his lair
Wants to tangle in your hair
