Star of the Show

Thomas Rhett

[Verse 1]
Walking down the street, hand in mine
It don't keep them other guys
And their wondering eyes from looking at you
That's alright and that's ok
Who can blame 'em anyway?
You're so pretty, and you ain't even got a clue[Chorus]
Cause everywhere we go girl
You're the star of the show
And everybody's wondering and wanting to know
What's your name?
Who's that girl, with the prettiest smile in the world?
Oh, what gets me the most is you don't even know
That you are, you are, you are
The star of the show
You're the star of the show, yeah, baby
[Verse 2]
Friday night on the town
We walk in and you draw a crowd
Even the band seems to sing for you
Ease on up, order a drink, barkeep says its all on me
You look at me and laugh
Like you don't know what to do
Baby you're so cute[Chorus]
Cause everywhere we go girl
You're the star of the show
And everybody's wondering and wanting to know
Whats your name?
Who's that girl, with the prettiest smile in the world?
Oh, what gets me the most is you don't even know
That you are, you are, you are the star of the show, yeah
You're the star of the show, baby, yeah yeah[Bridge]
Even in a ponytail in a pair over jeans you look like a cover
Of a magazine, baby you're the only one who doesn't see[Chorus]
That everywhere we go girl
You're the star of the show
And everyone's wondering and wanting to know
Whats your name?
Who's that girl with the luckiest guy in the world?

Oh, what gets me the most is you don't even know
That you are, you are, you are
You are, you are, you are, baby
You are, you are, you are, you are
The star of the show..[Outro]
Don't you know, you're the star of the show, baby
