

# Not Guilty

## GBK

one day i was up in the hood saw tazz so i thought i had to run to the woods but then it came to me i aint have nothin` on me plus they became beat fast when they saw me when i was chillin` i aint even make no snaps hold up yes i did let me take that back it was night time and i just hopped some were oh dickies fresh cause i just copped this shirt now i`m caught thinkin` what the fuck is disyou gona take me for some thing i know nothin` about the cop like shut up man quit running your mouth we got a witness said she seen you from the front of her house and i`m like damn this is fuckin sittin` they got me with a charge up shuman sittin` and i aint do shit who the fuck is snitchin` i`m not guilty but i fit the disscription i`m at the crib just chillin when i get to my car them niggas didn`t know they had any cases at all now i`m in school chillin just abou to whisele security checked me i had a duce duce pistol cus the niggas was plotin` rotation waitin` for school to get out and catch me at the police station then i went to my brothers crib i was thinin` i can`t get in for some other shit yeah now we on are way back from the sesame case hopped up on us now it`s a straight high speed chase now it`s a hofla chase and i heard`em yell freeze i didn`t look back i just dipped through the trees now we trapped they ran up on us the squad pulled out the tazz is out
