Where It Used To Break

Lila McCann

Where It Used To Break
How it happened
I haven't a clue
I just woke up one morning
And was over you
No hallelujah chorus
Nothing written in the stars
Just a peaceful feeling
Settled on my heart[Chorus]
Oh no, there ain't no easy way
No deed that you can do
no magic prayer that you can pray
Oh yeah, time is what it takes
To make a heart start bending
Where it used to breakIt was wishful thinking
Thinking I'd be alright
With a pep talk from my sister
And a couple good cries
It only got better
When I got it through my head
Ain't no getting round a heartache
Got to roll with it instead[Chorus]Little by little
One tear at a time
It felt like I was dying
But I made it out alive[Chorus]
