

Slain

Juxtaposse

The outlander walked into town, coverd in gore
He knew he could not wait much longer, he needed more
 Death
 Pain
 Blood...

TerrorOn the high plain they lost their lives
 Hundreds were slain

Why they died no one will knowTheir bloodstains weill allways show for all time
 Wasting no time he began defiling whores
 Tear
 Rape

He would be the last man they felt, a carnivore
 Ravage

MaimOn the high plain they lost their lives
 Hundreds were slain

Their bloodstains will always show for all time
 Firing, loaded rifle, never ending killing spree

Why they died no one knowsSlashing with machette, body parts are the debris
 fullest extent

 One more town, slowly going down

 There is no escape, he holds your fate as the death rate climbs to the
This is the comming of endless torment[Solo Jack Owen]Remains of the slain, a dead body wasteland
 Unburied victims lie, blood soaking into the sand

 There is no escape, he holds your fate as the death rate climbs to the
fullest extentOne man left, sherif bereft, faces the stranger with intent

 [Solo Pat O'Brien]

 On the high plain they lost their lives
 Hundreds were slain

 Why they died no one will know
 Their bloodstains will always sho for all...

 Time

 Big iron

 Both die

 ExpiredOn the high plain they lost their lives
 Hundreds were slain
 Why they died no one will know
 Their bloodstains will always sho for all...
