Unloved

Walter Egan

Unkind
We kissed and made a vow
That you've undone
We're on a chase nowIt's wrong
And I don't understand
I can't even call
You unlisted your phoneUnloved, unloved
Unloved, unlovedUntil
I looked into your eyes
And fell under your spell
I got along fineUntrue, it's untrue
And now our love
You let it unwindUnloved, unloved, unloved
Unloved, unloved, unlovedUnloved, unloved
Unloved, unloved, unloved
Unloved, unloved, unloved
Unloved, unloved, unloved
