

# i wanna be free

## Manicure

As I wake up everyday with no new songs to play  
Feelin' like I ought to pack my bag and run  
My imagination flies to some other sunny skies  
Where I felt so good and everything was done  
And my time was my own and my heart felt so free  
Come on  
I don't mind a little rain but it doesn't seem the same  
When the clouds shut out your beauty from my eyes  
There's a storm inside my head and I know it doesn't lead  
T a clearer day when nobody will cry  
I can't stand here alone and I need to be free  
Free  
So bring fire and bring steel for you know the way I feel  
Bring a silver horse to carry me away  
I'm no stranger I'm a friend and my pain will never end  
Till the world will let us live our lives as one  
And our time is our own and our hearts can be free  
I wanna be free again  
I wanna be free yeah  
I wanna be free yeah  
Wanna be free  
I wanna be free  
I wanna be free yeah  
I wanna be free yeah  
I wanna be free  
I wanna be free
