

# Get Together (Jacques Lu Cont Mix)

## Madonna

It's an illusion  
There's too much confusion  
It's an illusion  
There's too much confusion  
Down, down, down in your heart  
Find, find, find the secret  
Turn, turn, turn, turn your head around  
Baby we can do it  
We can do it alright  
Do you believe in love at first sight?  
It's an illusion, I don't care  
Do you believe I can make you feel better  
Too much confusion, come on over here  
Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too  
I've searched  
I've searched my whole life  
To find, to find, to find the secret  
And all I did was open up my eyes  
Baby we can do it  
We can do it alright  
Do you believe that we can change the future?  
Do you believe I can make you feel better?  
Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too  
Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too  
It's an illusion  
There's too much confusion  
I'll make you feel better  
If it's better at the start  
Then it's sweeter in the end  
Do you believe in love at first sight?  
It's an illusion, I don't care  
Do you believe I can make you feel better  
Too much confusion, come on over here  
Can we get together?  
I really, I really wanna be with you  
Come on check it out with me  
I hope you, I hope you feel the same way too  
Can we get together?  
I really wanna be with you  
Come on check it out with me

I hope you feel the same way too  
It's all an illusion  
There's too much confusion  
I'll make you feel better  
If it's better at the start  
Then it's sweeter in end
