One Headlight

TheReadySet

So long ago, I don't remember when
That's when they say I lost my only friend
Well, they said she died easy of a broken heart disease
As I listened through the cemetery treesI've seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste, she always had a pretty face
So I wondered how she hung around this placeHey, come on try a little, nothing is forever
There's got to be something better than in the middle
But me and Cinderella, we put it all together
We can drive it home with one headlightShe said it's cold, it feels like Independence Day
And I can't break away from this parade
But there's got to be an opening somewhere here in front of me
Through this maze of ugliness and greed and I seen the sun up aheadAt the county line bridge
Sayin' all there's good and nothingness is dead
We'll run until she's out of breath, she ran until there's nothin' left
She hit the end, it's just her window ledgeHey, come on try a little, nothing is forever
There's got to be something better than in the middle
But me and Cinderella, we put it all together
We can drive it home with one headlightWell, this place is old, it feels just like a beat up truck
I turn the engine, but the engine doesn't turn
Well it smells of cheap wine and cigarettes
This place is always such a messSometimes I think I'd like to watch it burn
I'm so alone, and I feel just like somebody else
Man, I ain't changed, but I know I ain't the same
But somewhere here in between the city walls of dyin' dreams
I think her death it must be killin' meHey, come on try a little, nothing is forever
There's got to be something better than in the middle
But me and Cinderella, we put it all together
We can drive it home with one headlight
