

Where Have You Been All My Life (Mono)

Gerry & The Pacemakers

'Til we kissed, I never knew the thrills that could be tasted
'Til we kissed, I never knew the years that I had wasted

But now I know I was waiting, for you to come by
I was waiting, girl won't you please tell me why
This took so long to begin?
Darling, where have you been all my life?

Oh, don't you know that till we touched
I never knew a touch was worth revealing.
'Til we touched, I never knew my heart was truly beating

But now I know, I was waiting, for you to come by
I was waiting, girl, won't you please tell me why
This took so long to begin?
Darling, where have you been all my life?

Oh, darling, where have you been, where you been, where you been
When I was feeling blue? (feeling blue)
Where have you been, where you been, where you been
When I was needing you?
Oh, where you been, where you been?

But now I know I was waiting, for you to come by
I was waiting, girl, won't you please tell me why
This took so long to begin?
Darling, where have you been all my life?

Oh, darling, where have you been, where you been, where you been
When I was feeling blue? (feeling blue)
Where have you been, where you been, where you been
When I was needing you?

Oh, where you been, where you been?
Oh, where you been, where you been?
Oh, where you been, where you been?
