

# How Do You Keep the Music Playing?

## Tito Nieves

How do you keep the music playing  
How do you make it last  
How do keep the song from fading  
Too fast

How do you lose yourself to someone  
And never lose your way  
How do you not run out of new things  
To say

And since we know we're always changing  
How can it be the same  
And tell me how year after year  
You're sure your heart will fall apart  
Each time you hear his name

I know the way I feel for you is now or never  
The more I love the more there Iâ€™m afraid  
That in yours eyes I may not see forever, forever

If we can be the best of lovers  
Yet be the best of friends  
If we can try with every day  
To make it better as it goes  
With any luck than I suppose  
The music never ends

How do you keep the music playing (over and over)  
Tell me How do keep the song from fading  
How do you keep the music playing (over and over)  
How do you make it last forever and ever

How do you keep the music playing (over and over)  
Que no se pare, que no se acabe este romance

How do you keep the music playing (over and over)  
Ay, necesito tu amor, amada mÃ-a

How do you keep the music playing (over and over)

How do you keep the music playing (over and over)  
Over and over, eternamente enamorados
