When Love Comes to the Rescue

Oleta Adams

I hurt for you and feel your pain
Your tears rolled down and left a stain on my heart
You're not alone, I suffer too
I've felt every trial that youve gone through from the start
That's what people do
When love comes to the rescueYour pain is my despair
I close my eyes and I'm already there
Feeling every aching need
And how much you need to be freeI've heard you crying salty tears
And watched you get stronger with every tear that falls
Youll get through it all
When love comes to the rescueYour pain is my despair
I close my eyes and I'm already there
Feeling every aching need
And how much you need to be here with me
