

# Musicology

## Prince

Heard about the party now  
Just east of Harlem  
Dougie's gonna be there  
But you got to call him Even the soldiers  
Need a break sometimes  
Listen to the groove y'all  
Let it unwind your mind No intoxication  
Unless you see what I see  
Dancin' hot and sweaty  
Right in front of me Call it what you like  
I'm gonna how it be  
This is just another  
One of God's gifts Musicology You gotta party movin'  
Like I told you  
Kick the old school joint  
For the true funk soldiers Musicology Wish I had a Dollar  
For everytime you say  
Don't you miss the feeling  
Music gave you, back in the day? Let's groove, September  
Earth, Wind and Fire  
Hot pants by James  
Sly's gonna take you higher Minor keys and drugs  
Don't make a rollerskate jam  
Take your pick  
Turntable or a band? If it ain't Chuck D  
Or Jam Master Jay  
Know what? They're losin'  
'Cause we got a P H D in  
Advanced Body Movin' Keep the party movin'  
Just like I told you  
Kick the old school joint  
For the true funk soldiers Musicology  
All right  
Hold down baby Musicology  
Musicology Everybody get down  
The love struck  
Old school joint  
For the true funk soldiers Keep the party movin'  
Keep party

Keep keep  
D'ont start movingKeep party movin'  
Music got you  
Keep party movin'Keep the party movin'  
Just like I told you  
Kick the old school joint  
For the true funk soldiersMusicology  
For the true funk soldiers
