

Marching To Mars

[Sammy Hagar](#)

Here we go marching to Mars
On a rainbow bridge it doesn't seem so far
Steppin' into our universe moving towards life
To solve the problems on Earth Marching to Mars Everybody's marching to Mars
Gonna settle down there
Get me a house and a car
Save each other from ourselves
Poke our heads out of the sand sayin' here I am Marchin' to Mars, we're marchin' to Mars Hollywood's
marching to Mars
For a grand new movie with some brand new stars
Plastered on the silver screen
Gonna bring it on home so you won't have to leave Is there life in the universe
Yeah, there's life in the universe
We'll find God in the universe
We'll find God but we'll find life first Marchin' to Mars, marchin' to Mars
We're marchin' to Mars, Marchin' to Mars
We'll find God in the universe
We'll find God but we'll find life first
We'll find life in the universe
Is there life in the universe
Yeah, there's life in the universe
We'll find life in the universe
Yeah, marchin' to Mars, marchin' to Mars
