Shoot at a couple

Killing em softly I'm killing em subtly

Came from the dirt let me shout out my whole street

Yeah I just fucked ya but can't say I love you

They say I just mumble

But with this trash shit I'm a lyricist

Niggas be scrubbin' disguisin' appearances

This shit addictive

Them hunnids addictive

I shoot with the quickness

I burn down the village

I'm hacking this shit

I'm an internet villain

Had to work out in a gym

Real fat now I'm getting real slim

They not respectable men

They turn they back on their friends

I bring your life to an end

[Verse 1]

He talkin' then death come to him

Super Bowl ring I'ma win

My jewelry gonna shine when it's dim

100 bags on their way in

I let em touch on the skin

Who is he I don't know him

They say my shit like a hemph

Solid I can't break I can't bend

Twirling I bent up a rim

I like my bitches all natural

Every verse I recite it be factual

Growhouse I cut down the stem

I'm on the thirty day cleanse

Gorilla glue stuck on my lens

Fornication tonight we gonna sin

Gotta put something in for my kids

I went from a neon to pushing ghosts you wanna elope

I spent the racks on the giuseppe coat

I just heavily smoke

[?]

I ain't got no contact with police

Marijuana growth at my knees

Movin' them silent like G's

Your bro gonna weigh up them P's

[Chorus]

I Rock Balenci's
