

# Please Come Back

**Jimmy Rushing**

Please come back  
I'm begging you  
Please come back  
I'm still in love with you Times got tough  
And you have to suffer  
Now and then when I'm lonely  
Baby things got a little-bit rougher I'm begging you  
Please come back  
It's a matter of fact  
That I'm still in love with you You have found someone a bit richer  
You don't have to paint me no picture  
I'm still in love with you Please come back  
I'm begging you  
Please come back  
I'm still in love with you Times got tough  
And you have to suffer  
Now and then when I'm lonely  
Baby things got a little-bit rougher I'm begging you  
Please come back  
It's a matter of fact  
That I'm still in love with you You have found a someone bit richer  
You don't have to paint me no picture  
I'm still in love, still in love  
I'm still in love with you
