I'm Cryin

SRC

Oh, I'm cryin', tears are fallin' down
I'm cryin', the lonely tears of clowns
I'm tryin', to wear a smilin' face
It was just yesterday
Things then they felt okay
Now that has all gone away
Oh, I'm cryin', the lonely tears of clowns
I'm tryin', tryin' and rain's fallin' down
I'm cryin', and that's a lonely place
If I could hide the pain
If I could stop the rain
Then all my cryin' could be gone
Oh, rain, who will stop the rain, the rain?
I'm cryin', the tears are fallin' down
I'm tryin', the rain still beats the ground
I'm cryin', those lonely tears of clowns
Lonely, lonely tears
Lonely, lonely tears
