

# I Can't Get Out

[Sarah Bettens](#)

5 o'clock and still I'm on my own  
Better to be fast asleep when he comes home  
Maybe not alone

Sometimes when I close my eyes I see  
How much better life would be without him here  
How alive I'd feel

But I can't get out, can't get out  
I got just what I had coming to me  
I can run all day but I can't get out

I've learned to move and never make a sound  
I make sure to shut my mouth when he's around  
I talk too loud

And I can't get out, can't get out  
This is all I know be  
And I can't get out, no, I can't get out  
I got just what I had coming to me  
I could run all day but I can't get out

I fell in love when I was seventeen  
I turned into a wife, I swore I'd never be  
But here I am

And I can't get out, I can't get out  
This is all I know to be  
And I can't get out, no, I can't get out  
I got just what I had coming to me  
I can run all day but I can't get out

And I can't get out  
No, I can't get out  
And I can't get out
