Kiss Kiss

Soleil, Stella

When you look at me
Tell me what do you see?
This is what you get
It's the way I am
When I look at you
I wanna be, I wanna be
Somewhere close to Heaven
With Neanderthal man
Don't go, I know you wanna touch me
Here there and everywhere
Sparks fly when we are together
You can't deny the facts of life
You don't have to act like a snob
Try your moves in the back of a car
Don't you know that we can go far
'Cause tonight you're gonna get my
Don't play the games that you play
You know that I won't run away
Why're you askin' me to stay
'Cause tonight you're gonna get my
Kiss kiss
You can be mine
Baby, what's your star sign
Won't you take a step
Into the lion's den
I can here my conscience
Calling me, calling me
Say I'm gonna be
A bad girl again
Why don't you come on over
We can't leave this all undone

Got the devil on my shoulder
There's no place for you to run
You don't have to act like a snob
Try your moves in the back of a car
Don't you know that we can go far
'Cause tonight you're gonna get my
Don't play the games that you play

You know that I won't run away
Why're you askin' me to stay
'Cause tonight I'm gonna get my
If you forget, I'll remind you
If you're paranoid, I'm behind you
You lose your head, I'll find you
Giving you my kiss
If you forget, I'll remind you
If you're paranoid, I'm behind you
You lose your head, I'll find you
Kiss, kiss
You don't have to act like a snob
Try your moves in the back of a car
Don't you know that we can go far
'Cause tonight you're gonna get my
Don't play the games that you play
You know that I won't run away
Why're you askin' me to stay
'Cause tonight I'm gonna give you my
You don't have to act like a snob
Try your moves in the back of a car
Don't you know that we can go far
'Cause tonight you're gonna get my
