World

Richie Sambora

Now, I found that the world is round
And of course it rains everyday
Living tomorrow, where in the world will I be tomorrow?
How far am I able to see?
Or am I needed here?
Now, I have found that the world is round
And of course it rains everyday
If I remember all of the things I have done
I'd remember all of the times I've gone wrong
Why do they keep me here?
Now, I have found that the world is round
And of course it rains everyday
And now, I've found that the world is round
And of course it rains everyday
And now, I've found that the world is round
And of course it rains everyday
And now, I've found that the world is round
