

Divinations (instrumental)

Mastodon

It's gone away, it's gone away, it's gone for good
Animal spirits come calling me home
Through the tunnels of brilliant light
The magnet of wisdom is pulling
Burrowing faster, the fabric of timeNo escape
Binding spirits
No escape
Trapped in time spaceRapid descendants, the wormhole is empty
The center of khlysty surrounds me
The fire is dancing in a silvery sheet of breath
Black robe, necromancing
Summon the soul of the specterNo escape
Binding spirits
No escape
Trapped in time spaceFire in the eye
Realm of mystic majestyNo escape
Binding spirits
No escape
Trapped in time spaceFire in the eye
Realm of mystic majesty
