

Shiver

At Vance

You build me up, you knock me down
Provok a smile and make me frown
 You are the queen of run around
 You know it's true
 You chew me up and spit me out
Enjoy the taste, I leave in your mouth
 You look at me, I look at you
 Neither of us know what to do
 And there may not
 Be another way to your heart
So I guess I'd better find a new way in
 I shiver when I hear your name
I think about you but it's not the same
I won't be satisfied 'til I'm under your skin
 Immobilized by the thought of you
 Paralyzed by the sight of you
 Hypnotized by the words you say
 Not true but I believe 'em anyway
 So come to bed it's getting late
There's no more time for us to waste
 Remember how my body tastes

You feel your heart begin to race
 There may not
 Be another way to your heart
So I guess I'd better find a new way in
 I shiver when I hear your name
I think about you but it's not the same
I won't be satisfied 'til I'm under your skin
 You feel your heart begin to race
 There may not
 Be another way to your heart
So I guess I'd better find a new way in
 And I shiver when I hear your name
I think about you but it's not the same
I won't be satisfied 'til I'm under your skin, yeah
 There may not
 Be another way to your heart
So I guess I'd better find a new way in

And I shiver when I hear your name
I think about you but it's not the same
I won't be satisfied 'til I'm under your skin, yeah
