I Don't Remember

Powderfinger

Tonight my heart, well, it broke like glass
I made a mistake that I'll never surpass
I'm floating in space unattached to the world
I cast off the memory of the spell of that girl
Whatever I get I guess it's what I deserveI don't remember
Just what made it so hard before
I know you needed someone to take the fall
I know you needed someone to blame it onI smashed the mirror just to look what's behind
Picked through the pieces just to see what I'd find
I found my heart and it broke like glass
I made that mistake that I'll never surpass
I let go of my grip on the pastI don't remember
Just what made it so hard before
I know you needed someone to take the fall
I know you needed someone to blame it onHey, hey, don't you look away
Hey, hey, I've got something to say
