Like White Noise

The Gamits

Advisory - the following lyrics contain explicit language:

Don't wanna talk anymore
Not gonna answer the phone
I wish that I was alone
So I could be by myselfI think I'll go for a walk
And leave this chaos behind
Walk to the power station
And hang myself on a line'Cause I don't have the privacy and I will die embarrassing
There's a thousand people in my room...My thoughts are out on display
For everyone to dissect
I have been hard to create
My boss breathing down my neck'Cause I don't have the privacy and I will die embarrassing
There's a thousand people in my room...Bleeding through the walls like white noise
Pounding on my door like daylight
Bleeding through the walls like white noise
Pounding on my door like daylight
Bleeding through the walls like white noise
I don't need this...
Pounding on my door like daylight
Bleeding through the walls like white noise
I don't need this...
Pounding on my door like daylightDon't wanna talk anymore
Not gonna answer the phone
I wish that I was alone
So I could be by myself'Cause I don't have the privacy and I will die embarrassing
'Cause I don't have the privacy and I will die embarrassing
'Cause I don't have the privacy and I will die embarrassing
'Cause I don't have the privacy and I will die embarrassing
There's a thousand people in my room...
