Crystalised

Owl Eyes

Can see it in your heart
All the glitter on the outside
Shinning in the dark
Blind me with your light
Shine so bright
So all I see is you
Crystalised
Its just the light passing through
Ive been searching for whats inside
Youve been hiding crystalised

Escape from my heart x4

Close enough to touch
Nothings connecting
All that's around you
Just colours reflecting
Shone so bright so all i saw was you
Crystalised
Its just the light passing through you

Iâ€™ve been searching for whats inside
Youâ€™ve been hiding crystalized

Escape from my heart x4

Everything seems different
Even though everythingâ€™s the same
I thought I was right the first time
So why am i questioning
How was I to know
Why do the days all ways slip away
I just wanted to be worth it
Thatâ€™s why I keep on searching

Iâ€™ve been searching for whats inside
Youâ€™ve been hiding crystalised

Escape from my heart x4
