Church On Time

Ben Harper

We're gonna make it to the church on time
We're gonna make it to the church on time
Put on your Sunday best, I'll put on mine
We're gonna make it to the church on time
We're gonna make it to the church on time
We're gonna make it to the church on time
Need to hear the preacher, give me a sign
We're gonna make it to the church on time
We're gonna make it to the church on time
We're gonna make it to the church on time
I'm gonna get my soul in line
I'm gonna make it to the church on time
We're gonna make it to the church
We're gonna make it to the church on time
We're gonna leave all of our troubles behind
I'm gonna make it to the church on time

We're gonna make it to the church on time
We're gonna make it to the church on time
You may be rich may not have a dime
We're gonna make it to the church on time
We're gonna make it, oh, we're gonna make it
Oh, we're gonna make it to the church on time
Trouble at heart, oh, trouble in mind
We're gonna make it, Lord, to the church on time
Revelation chapter eight, Revelation chapter eight
Seven angels at the gate, you don't want to make them wait
Oh, we're gonna make it, oh, I'm gonna make it
I'm gonna make it, oh, I'm gonna make it to the church on time
Oh, to the church, oh, to the church on time
On your Sunday best, on your Sunday best, Sunday best
I'm gonna put on, I'm gonna put on, I'm gonna put on mine
