Now and Then

The Smithereens

I've been torn apart since I met you
Don't know how I'll see it through
Troubled times are on their way
Wish that you could stay[Chorus]
Now and then
I feel like giving up
Instead I'll cry
Alone
And wonder whyFriends tell me I'm acting like a fool
The way we live breaks all the rules
(The) lies I tell don't seem so strange
Wake me up, I'll change[Chorus]Love, I can't believe my lies drove you away
Love, I can't believe I made you feel this wayLast time that I looked into your eyes
Telling lies that made you cry
Troubled times are on their way
Wish that you could stay[Chorus]Love, I can't believe my lies drove you away
Love, I can't believe I made you feel this wayNow and then
Now and then, love!
I feel like giving up
