

Kelly (Alan Braxe & Fred Falke Remix)

Van She

Kelly was a young girl, looking in the mirror, doing what young kids do

Watching out the window, thinking of all the things that she should do

She's running all the time, she's running blind.

It's raining all the time, the clock hit nine, then she met me.[Chorus]

Oh Kelly, do what you need to come

Oh Kelly, you know I see you running
She's sitting back know, painting in her taylor's, thinking of me and
you

Listening to her player, missing out all the Prince and tunes she knew

She's running out of time, she's running blind.

It's raining all the time, the clock hit nine, then she met me.[Chorus]
