

# My Heart Beats Like a Drum

ATC

I close my eyes close the door  
I won't worry anymore  
I've been waiting for you  
every day and every night  
Cut the light let it flee  
I don't want to be afraid  
I've been waiting for you

Tonight it is right  
Stars shine bright  
I just really want to be with you  
I celebrate pray for the day  
When all my wishes will be coming true

My heart beats like a drum like a drum  
(dam dam dam)  
And my feet step the beat like a drum  
(dam dam dam)  
My heart beats like a drum like a drum  
(dam dam dam)  
And my feet step the beat like a drum  
(dam dam dam)

I think of you every day  
I've been waiting for a call  
Just the sound of your voice  
Anytime and anyway  
Dream of you since that day  
When I saw you the first time v at the Hardrock CafÃ©

Tonight it is right  
Stars shine bright  
I just really want to be with you  
I celebrate pray for the day  
When all my wishes will be coming true

My heart beats like a drum like a drum  
(dam dam dam)  
And my feet step the beat like a drum  
(dam dam dam)

My heart beats like a drum like a drum  
(dam dam dam)  
And my feet step the beat like a drum  
(dam dam dam)

I close my eyes close the door  
I won't worry anymore  
I've been waiting for you

My heart beats like a drum like a drum  
(dam dam dam)  
And my feet step the beat like a drum  
(dam dam dam)
