

Tell the Truth (Live at Herdon Version)

Ray Charles

Tell the truth
Tell the truth
Well, you know what you done to me
You made me fall for you Tell the truth
Tell the truth
Well you know you can make me do
What you want me to Loving you, feelings started
But, I'm goin' to stop it
If I could, I surely would
I would roll up around you
If I thought it would do any good Why don't you tell the truth
Tell the truth
Well you know you can make me do
What you want me to Loving you, feelings started
But, I'm goin' to stop it
If I could, I surely would
I would roll up around you
If I thought it would do any good Why don't you tell the truth
Tell the truth
Well you know you can make me do
What you want me to Whooah, come on, tell the truth, now
And I know, I know, baby
Every day, every night
Whooah, hold me tight And I know, and I know
You oughta, you oughta
Stop lying, stop lying, whooh
Whooh, whooh, whooh Oh baby
Now tell the truth
Every day of your life, tell the truth little girl
What about that man you were with last night
I want to know
Come on baby
Hey hey
Every day of your life, you oughta
Come on baby tell the truth
