Wage a War

Battlecross

You could say I've lived a foolish dream
Becoming exactly what I wanted to be
Don't let regret take the place of your dreams
This is your choice to make
How your name will go on
When you're dead and gone
This is your choiceStand on your own wage your war
You must prove yourself
Fight back hold your ground
Stand on your own and test your strengthIn your pursuit to find yourself
Sometimes your dreams become your nightmares
Don't be afraid to fight
Count only on yourselfStand on your own wage your war
You must prove yourself
Fight back hold your ground
Stand on your own and test your strength
