

# Running Up That Hill

Nolwenn Leroy

It doesn't hurt me  
You wanna feel, how it feels?  
You wanna know, know that it doesn't hurt me?  
You wanna hear about the deal I'm making  
You, you and me  
And if I only could  
Make a deal with God  
And get Him to swap our places  
Be running up that road  
Be running up that hill  
Be running up that building  
If I only could  
You don't wanna hurt me  
But see how deep the bullet lies  
Unaware that I'm tearing you asunder  
And there's a thunder in our hearts, baby  
There's so much hate for the ones we love?  
Tell me, we both matter, don't we?  
You, you and me  
You and me, won't be unhappy  
If I only could  
Make a deal with God  
And get Him to swap our places  
Be running up that road  
Be running up that hill  
Be running up that building  
If I only could  
Come on, baby, come on, come on, darling  
Let me steal this moment from you now  
Come on, angel, come on, come on, darling

Let's exchange the experience  
And if I only could  
Make a deal with God  
And get Him to swap our places  
Be running up that road  
Be running up that hill  
With no problems  
And if I only could

Make a deal with God  
And get Him to swap our places  
Be running up that road  
Be running up that hill  
With no problems  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill  
If I only could  
Be running up that hill
