

# Who Goes There

## Silje Nergaard

Words yet unspoken  
Some promise unbroken  
These are the tokens I cling to  
Kisses ungiven  
Dreams yet unlived in  
These are the gifts I can bring you  
Can bring to you ... so tell me  
Who goes there  
Step out of the night and just show me you care  
Take these gifts that I bear ... and I will know  
Love is here  
Who goes there  
Do you come as a friend or a foe ... and if so  
Should I stay ... should I go  
I need to know  
I need to know  
Tantos caminhos  
Sempre a seu lado  
Fomos deixando pra trÃ¡s O amor sozinho  
Foi se perdendo  
Agora Ã© tarde demais  
Demais  
Pra voltar  
Who goes there  
Step out of the night and just show me you care  
Take these gifts that I bear ... and I will know  
Love is here  
Who goes there  
NÃ£o sei pra vocÃº o que sou  
se acabou ... and if so  
Should I stay ... should I go  
Eu preciso saber  
I need to know
