

Lick It (Nasty Version)

20 Fingers

You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it
You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it Boom-ba-da-da-da ...
Baby work it I met a real cutie
He had a nice tight booty
He seemed to be the freaky lover type
Let's cut right through the chase
C'mon and get a taste
You've got to face it
So that I can get hype
You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it
You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it Boom-ba-da-da-da ...
Baby work it, baby work it
Baby work it, baby work it ... Before you can stick and move
You gotta grin in the groove
You know men are dogs
So go bark up somebody else's tree
Here boy come and get it Come on and show ur able
And go below my navel
Don't be a tease just give me what I like
I'm full of freakiness
So give my cat a kiss
And make me purr
So we can do this right
You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it
You gotta lick it, before we kick it,
you gotta get it soft and wet so we can kick it Boom-ba-da-da-da ...
Baby work it, baby work it
Baby work it, baby work it ...
